

# U CONNECTS residence

Season's greetings from Taylor's Hostel Management (THM)! It is that time of the year where we celebrate the joyous occasion with cheer, goodwill and wishes of hope. In the spirit of sharing and giving, we invite you to have a sneak peek of this quarter's activities where our residents enjoyed moments of joy, appreciation, laughter and an opportunity to give back to the community. As we welcome the New Year, it gives us great pleasure to also introduce Taylor's Hostel's latest offerings and new facilities, catered specially for our residents. Happy reading!

## Residents Programmes

LIFE SKILLS Transforming Community through Art

Over 40 of Taylor's residents volunteered in a 'Mural Painting' community outreach programme held in Kuala Lumpur in collaboration with IM4U. This community project aimed to help transform and beautify the selected areas in Desa Pandan. It was an eventful Service Learning activity for our residents as it gave them the opportunity to experience a creative community project that enabled them to express their support through art and mural painting.

In true spirit of volunteerism, our residents successfully painted three whole walls and witnessed their creations coming to life with amazing colors and designs. With NPS score of +64, this Service Learning activity was definitely a memorable experience for all.

"This event has taught me that the world needs more people who cares about the environment and events such as this gives us the opportunity to take action in changing the community environment issue and inciting the spirit of caring," Luqman Razani bin Noor Sham, ADP Student.

## LEADERSHIP SKILLS Student Resident Council 'Appreciation Ceremony'

At THM, the Student Resident Council (SRC) provides residents with an opportunity to develop their leadership skills that will allow them to gain personal growth and holistic life-long learning. Our SRC members worked closely with the Management of THM in supporting other residents' welfare and wellbeing through social activities, peer to peer support and act as confidants to their fellow peers in time of need.

To recognise the countless contribution and commitment of our SRC members, an 'Appreciation Ceremony' was organised, bringing together all members from U Residence, My Place Apartment and Puncak Prima for a special celebration. This celebration marked a significant achievement in their life journey for stepping up as leaders and making a positive difference to their residential community. During the ceremony, the newly elected chairpersons for 2017 were introduced and welcomed through the passing of the "light ceremony" while the former chairpersons and teams received tokens of appreciation.

We would like to once again thank all our outgoing council members for their time, commitment and continuous support for THM and their priceless contribution. We wish you all the best!

Meet our New Student Resident Council (SRC) Chairpersons for 2017

Congratulations to the newly elected Chairpersons for 2017!

**Mush K Zehra, Chairperson for U Residence, Taylor's University, Lakeside Campus**  
 "Being a Chairperson will definitely impact me in every aspect of my life. It's going to help me tackle situations from different perspectives, teach me leadership skills and above all, I hope this role will help teach me humility and matures me in a certain way when faced with challenges,"

**Ng Shi Hui, Chairperson for My Place Apartment, Taylor's College Subang Jaya**  
 "It's a great pleasure to be selected as the President of the SRC and I would like to take this opportunity to bond all residents. This is important as most of us are away from our own home and I believe the SRC serves as the bridge to connect all residents with one another and act as the support and "second family" to all residents,"

**Teng Cheng Fatt, Chairperson for Puncak Prima, Taylor's College Sri Hartamas**  
 "It's a great pleasure to be selected as the President of the SRC and I would like to take this opportunity to bond all residents. This is important as most of us are away from our own home and I believe the SRC serves as the bridge to connect all residents with one another and act as the support and "second family" to all residents,"

## What's New at THM

RESIDENTS WELFARE Residential Experience

Gearing up for the new year, we are happy to announce an improved Residential Experience Programme at Taylor's Hostel. In 2017, residents will experience a comprehensive Residents Welfare Support, with a focus on Emotional and Physical wellbeing. This new programme will help residents transition seamlessly into their new living and learning environment and empower residents to progress from a dependent learner to an inter-dependent learner. Snapshot of the new living experience as below:
